Lorena,

Are you say that you are the only person that can deal with conflict of interest issues and violations of the charter?

I have brought them to your attention in the past and you have taken no interest and no action. Who is next in line to deal with this problem?

>>
>> I also want the contact info for someone that I can discuses my proposed changes to the BID with. Let me know who is running the committee that is responsible for the renewal process. Based on your shifty and disingenuous handing of the noise issues for the public events you have overseen, you should understand why I do not want to deal with you.
